Ladenburg Thalmann & Co. accompanies said letter; therefore be it

Resolved that the City Treasurer be and he hereby is authorized and directed to return to said Messrs. Ladenburg, Thalmann & Co. the certified check for one thousand dollars deposited with said bid, or in the event that such check has been collected by him that he return to said Ladenburg, Thalmann & Co. one thousand dollars together with such interest thereon, if any,

DEC 7 1903

be made at an expense of $45.40 the amount of which fees were approved by the Mayor; that thereafter the petitioner served eleven notices to redeem of which the legal fees are $11.00; that the property in the petition referred to was prior to 1900 assessed to two different persons, namely Jane Ann Bundy, under whose name it was sold, and Mrs Mary Keefe; and that Mrs. Mary Keefe has paid in full to the City the taxes for which the property was sold as aforesaid, and that Mrs Mary Keefe was at the time of said sale and is now the lawful owner of the premises so sold, and asking that the City reimburse to the petitioner the actual expenses incurred on the faith of the public sale at which he purchases as aforesaid, which expenses are stated in said petition to be as follows, to wit—

DEC 7 1903

Search fee approved by Mayor, 45.40
Legal fees for serving 11 notices, 11.00

and said petitioner offers upon being reimbursed as aforesaid to deliver the certificate of sale to the City duly cancelled.

And Whereas the Collector of Taxes has certified at the foot of said petition that the statement respecting the duplicate assessment of taxes on the property described in Martin Act Tax Sale Certificate No. 63 and the payment of such tax by Mrs. Mary Keefe is correct and that the City was paid in full by Mrs. Keefe for the taxes for which the property was erroneously sold, and the corporation counsel has endorsed on said petition a statement to the effect that on said certificate of the City Collector he advises acceptance of Mr. French's offer.

And Whereas said petition of Elston M. French is accompanied by his duly verified bill against the City

DEC 7 1903

for the aforesaid items aggregating $89.95.

Therefore Be It Resolved that the offer of said Elston M. French as set forth in his petition be accepted, and that his said bill for $89.95 be paid, upon surrender by him of the Martin Act Tax sale certificate in his petition set forth.

Firemens Relief Assn. refused

Reported back petition of Dec. 5, 1903 from the Firemen's Relief Association, and petition of Nov. 20, 1903, from the American Sabbath Tract Society, in reference to cancellation of taxes, with opinion of the Corporation Counsel, which opinion was read, and which opinion is as follows:

American Sabbath Tract Society refused

To the Honorable Common Council of the City of Plainfield.

Gentlemen:-

The petition of The American Sabbath Tract Society, dated November 25, 1903, and the

MAR 7 1904

petition of the Firemen's Relief Association, dated December 5, 1903, both of which petitions pray for cancellation of taxes on the ground that the property taxed was by law exempt from taxation, are herewith returned.

I understand that the claims of both petitioners for exemption from taxation were presented to the Commissioners of Appeals in cases of taxation, and that the said Commissioners of Appeals, after hearing the applications, decided that the petitioners were not entitled to the exemption claimed.

Inasmuch as the Commissioners of Appeals in cases of taxation is a judicial body and expressly appointed for the purpose of hearing and determining such questions as those involved in these matters, I am of the

MAR 7 1904

opinion that it is not within the power of the common council to over-rule or set aside the decision of such commissioners. There are remedies provided by law available to the petitioners if they conceive that the commissioners of Appeals erred in their judgment. These remedies are by appeal to the State Board of Taxation, or by writ of certiorari to be issued by the supreme court. If upon such remedies being invoked by the petitioners, it shall appear that the commissioners of Appeals erred in their conclusions, it would be competent for the common council to instruct the corporation counsel to consent that the taxes be set aside.

My advice, therefore, is that the petitions be denied and that a copy of this communication be furnished to each of the petitioners.

MAR 7 1904

Your obedient servant,
Dated March 7, 1904. Craig A. Marsh.
Corporation Counsel.

Chairman Daniel moved that in accordance with the opinion of the Corporation Counsel, the petitions be denied and that the petitioners be furnished with a copy of the opinion of the Corporation Counsel.
So ordered.

Reported back petition of F. E. Kinsman, dated Dec. 4, 1903, in regard to lots Nos. 432-434 purchased under the Martin Act, with opinion of the Corporation Counsel, which was read, and which opinion is as follows;

Opinion of Corporation Counsel

Plainfield, N. J., March 26, 1904

Leslie M. Daniel, Esq.,
Chairman, Finance Committee,
Plainfield, N. J.

Dear Sir:-

Herewith I return the petition of F. E. Kinsman, dated December 4th last, which you

APR 4 1904

referred to me for my opinion.

Having, with the aid of the collector, investigated the facts, I am of the opinion that Mr. Kinsman has an equity to be reimbursed so much of the amount which he was compelled to pay to redeem the property from the second Martin Act tax sale as is represented by the costs of that sale, and the search fees, and the fees for services of notices, but that he is not entitled to be reimbursed so much of the amount paid on redemption as represents the taxes assessed against the property and the interest thereon to the date of redemption. Such taxes were a lien on the property, and notwithstanding any error of the assessors in writing down the name of the supposed owner, would remain a lien until actually paid. Mr. Kinsman has had

APR 4 1904

the benefit of the payment of those taxes, and the lien no longer exists. Accordingly, I advise that upon Mr. Kinsman presenting a duly verified claim in the usual form for the amount paid by him to redeem the property, less the amount of taxes with interest to the date of redemption, the claim should be allowed.

I enclose a draft of such claim as should be allowed under the foregoing opinion.

Yours truly,
Craig A. Marsh
C. C.

After the reading of the foregoing opinion, offered the following resolution which was adopted upon a call of the roll all present voting aye:

Resolution F. E. Kinsman

Resolved, That in conformity with the opinion rendered by

APR 4 1904

the corporation counsel, there be reimbursed to Frank E. Kinsman so much of the amount which he was compelled to pay to redeem the property Nos. 432-434 Pemberton Avenue from the second Martin Act tax sale as is represented by the costs of that sale and the search fees and the fees for service of notices, but not so much of the amount paid by him as such redemption as represents the taxes assessed against the property and the interest thereon to the date of redemption; and that the payment to make the reimbursement aforesaid to said Frank E. Kinsman be made upon presentation of his verified claim in the usual form for the amount.
